OUR DEEPEST SYMPATHIES

Our deepest sympathies go out to Terry VanEck and his family on the loss of his wife Kathy on March 4th, and to Nora and Bill Barler on the loss of Nora's Mother, Francis Hobbs. They will be missed. Our thoughts and prayers are with our car club families in this time of sadness.

CAR SHOW TO BENEFIT THE TOWN OF WASHINGTON, ILLINOIS

The Lemont Classic Car Club is trying to set up a Charity Car Show for the town of Washington, Illinois that the tornado destroyed last November. Jim Demopoulos has traveled down to Washington several times himself to help with some of the clean up and has met with some of the people in charge. They are really in need of help financially as almost the whole town has been damaged in some way from the storm. We are hoping that other Car Clubs in our area will be willing to jump in and help host one of the biggest car shows in the area with all the proceeds going to help these people in real need of assistance. The show will probably be in the latter part of summer after we host our own "Little Cruisers" Charity Car Show. We are also hoping that we can get some TV Stations and Businesses to help us promote this special Charity Car Show. We have a couple of venues in mind that are large enough to hold a lot of show vehicles as well as spectators. If you are willing to help and have some ideas please come out to our Monday night meetings at the Lemon Tree Restaurant or call John @708-301-8899 as we are gathering information and ideas there. Watch our website for more information as it becomes available.
