SPRING ROAD TRIP

On Saturday, April 12th, 2014 we traveled to Hobart, Indiana to view Pete Todo's Car Collection and Memorabilia Museum. Pete owns an old 1920's Chrysler Dealership and keeps his collection there. Pete has some pretty amazing automobiles. He just purchased a 1932 Pierce Arrow. Some of his other vehicles include a 1940 12 cylinder Cadillac Convertible, 1932 Packard, a 1954 Corvette, a 1931 12 cylinder Cadillac Convertible a 1960 Chevy ElCamino and many more. Pete also has quite a collection of bicycles from the 1900's big wheeled bikes to 1950's motor bikes. There is also quite a collection of neon clocks and cuckoo clocks. Pete also has some Motor Cycles in his collection. The man has it all !! Pete also served hot dogs, chili dogs and chips for a lite lunch. We shared our time with the Tri-Chevy Car Club and had a nice with them too. After we finish viewing the vehicles we traveled about two miles to a cute 50's diner for lunch. Everyone was invited to join us for this event. If you didn't come out you really missed a great time. Maybe next year we will go back and visit Pete and his collections again. Thank You Pete for being such a wonderful host and for collecting so many great and special vehicles as well as all your memorabilia for people like us to see. Thanks Pete....You Are The Greatest !!!!

SPECIAL CAR SHOW FOR THE LEMONT HISTORICAL SOCIETY

On Friday, evening June 20th, The Lemont Historical Society will be hosting a **Summer Dinner and Car Show** at the White Fence Farm starting at 4 PM. The rain date will be June 28th. The cost will be \$35.00 and that will include dinner (choose chicken, fish or shrimp, drink, desert, tax and tip) and a \$10.00 donation to the Historical Society. They will be celebrating the 100th anniversary of the Dodge Automobile and the Ford Model T mass production with increase in wages. They are planning on having some speakers and hopefully a Stanley Steamer along with some early Model T's and Dodge automobiles. More information is on our website. See the Flyer. This should be a great evening with some great food!!!! Contact Sharen @ 708-301-8899 for more information.

CAR SHOW TO BENEFIT THE TOWN OF WASHINGTON, ILLINOIS

The Lemont Classic Car Club is planning a Charity Car Show for the town of Washington, Illinois that the tornado destroyed last November. Jim Demopoulos has traveled down to Washington several times himself to help with some of the clean up and has met with some of the people in charge. They are really in need of help financially as almost the whole town has been damaged in some way from the storm. We are hoping that other Car Clubs in our area will be willing to jump in and help host one of the biggest car shows in the area with the proceeds going to help these people in real need of assistance. The show will be on Sunday, August 17th from noon to 5 PM with a rain date of August 31st, in the Shopping Center lot at 79th and Harlem behind Haunted Trails Mini Golf. We will have a special commemorative medallion for the first 500 registered vehicles. Registration cost will be \$20.00 and we will be having a 50/50 and a special raffle to help raise funds for the people of Washington, Illinois. We will be in need of raffle prizes for the Show so we are hoping that we can get some TV Stations and Businesses to help us promote this special Benefit Car Show. So if are willing to help and have some ideas please come out to our Monday night meetings at the Lemon Tree Restaurant as we are gathering information and ideas there. Watch our website for more information as it becomes available. This will be our biggest event since our Monte Fiori Car Show in August of 2010. We really want this to be a **BIG EVENT** because these people really need our help.

First Saturday Cruise Night Was A Success

Our first Saturday Cruise night, on May 24th, was quite successful. We hosted approximately 190 vehicles and had a \$170.00 to the winner with our first 50/50. We will be changing our venue in about 2 weeks and moving to 127th and Lemont Road (State Street) in the south end of the Jewel parking lot behind the Burger King restaurant. The church could not get enough of their church congregation to work in the kitchen so they will not be opening up the church. That means no bathrooms and no food!! We will be at the church on 134th and Bell Road until we have acquired all of our permits. When we are ready to move and have a moving date set it will be posted on our website at lemontclassiccarclub.org and we will be announcing it at our Saturday Cruise Nights. We hope that everyone will be happy with our new venue. There is a Burger King, a Japanese Restaurant and a Pizza place right there and across the street there is a Jimmy John's sandwich shop, a Starbucks Coffee shop and a Sports Bar and Grill. Just down the street there is a McDonalds, a new Hardys (not open yet), a Dunkin Donuts shop, a Mexican restaurant, Illinois Bar And Grill (you can call ahead and your food will be ready for pick up) and the Lemon Tree Restaurant. There is also a Kentucky Fried Chicken across the street from the Jewels. So there are plenty of food choices. We really enjoyed our time at the Christ Community Church and we are sorry that it has to end. The grounds were really great and the food and bathrooms were greatly appreciated. But all good things must come to an end !!! **We were glad to be there for the 2 ½ years and we thank the church for everything they did for us and we hope that we brought them something special and unique in return.** It was great while it lasted !!!
